

### PA03 Tina

Tina gives flesh a good name. She's a wee bit shy regarding her voluptuous posterior, but Mike found it to be beautiful enough to feature. Generally, Mike seems to prefer pale (if not pure white) backgrounds for his drawings and paintings. But here, he chose a dark, warm inviting setting. A setting that could almost be mistaken for an old master painting, if not for Tina's flirty gesture, jutting derriere, and the the sexy sheer undies, none of which we fault Mike for including. :-) A great, skillfull painting.  
An OUTSTANDING print!
